Explanation of Budget Terms

***1 Commitments from Prior Years:** Funding obligations that were made in a previous year but were only partially or never spent. The financial obligation is still recognized but does not impact the new or future budgets.

***2 Special Project Reserves:** Total of all new and accumulated funds that are not budgeted, anticipated, or committed. Any requests for these funds would require the individual to complete a Project Funding Request form. New Project Funding Requests must be approved by the Executive Board and do not affect the current year's budget.

***3 Restricted Reserves:** Minimum 5% of the total operating fund would not be touched or allocated to ensure the future operation of the Friends in the next year. Even if all budgeted and special project funds have been spent or allocated, these funds would not be spent.
