Today's date 15 April 2009 Date funding is desired: to be decided
Applicant Name Joan M. Decker Presenter Ric Deschler
Phone 805-771-8323 Total requested \$ 2,000

You may use additional paper when needed. Also, attach any helpful supporting documents.

1. Please state your reason(s) for this request. Include how this program/
expenditure complements the Friend's commitment to the Morro Bay Library.

It has become apparent that time and exposure to the elements have taken a serious toll on the mosaic mural decorating the west wall of the library building. This request is for funding to undertake a restoration project to replace missing tiles and grout, and to reseal the mural.

2. Itemized cost: **(Give specific breakdown)**

Materials: \$200 fixitive, grout, and sealer
Labor estimate \$1400 Steve Proano and volunteers
Permit: \$28
Scaffolding: \$150-200, \$25 per day or \$100 per week
Incidental expenses \$172-222, because the unexpected occurs.
Total \$2,000

Number of days: 5-7, extra time may be needed to move scaffolding. Steve Proano is a master tile-setter who has worked previously with Peter Ladochy, the artist who created the mural.

3. What portion of the costs is being borne by the participant/organization?

I believe that the "Friends" have the responsibility for the maintenance of the mural.

4. What other efforts are being made to seek alternate funding? Please list.

At this time, I have not sought other sources of funding.
