

## Morro Bay Friends of the Library – Library Advisory/Vision Report – Christine Johnson 5-21-10

### Advisory/Vision role

To be the connection between Friends, Community, Library Staff.

- Advisory/Vision role will focus on this document in regard to community's needs:  
*Our Vision of Morro Bay Library's Future - Where do we want to go? - 05/16/2008.*
- Advisory/Vision role will work with Library Staff to balance needs of community with the needs of the staff.
- Advisory/Vision role will support the on-going and important work of library staff.
- Advisory/Vision role will communicate library plan for expansion to Friends board especially in light of any request for funds from the Friends Foundation.
- Advisory/Vision role will encourage a public meeting to present the expansion plans to the community—this is not a time for public comment on any area of the plan. This will be only a presentation of the finished plan to the Morro Bay community that enthusiastically supported the library in the recent lease negotiation.
- Advisory/Vision role will visit other library facilities in the county as a means to inspire our creativity in Morro Bay.
