

Among Friends

Morro Bay Friends of the Library newsletter

February 2008

Volume 27, Edition 1

To stimulate public support of the Morro Bay Branch of the San Luis Obispo County Library by fostering and establishing closer relations between the library and the citizens and organizations of Morro Bay, by focusing public attention on library services, facilities and needs and by soliciting gifts, endowments and bequests to provide financial aid for adequate facilities and needs.

President's Report

by Karen Robert

Welcome to the New Year! Last year, my President's Reports focused primarily on hoping to encourage you to become a volunteer in the Friends organization. I also wanted you to learn more about the many important volunteers who have graciously supported our Morro Bay Library throughout the years. Although volunteers will be a continuing need for the Friends, this year we have a new focus that seeks your attention and support.

The Morro Bay Library, although a county operation, leases the library building from the City of Morro Bay. Our library lease needs to be renegotiated with the city of Morro Bay before it expires in 2010. For several years, the Friends have been working cooperatively with the city and county to come up with the best library for our community. *The most proactive way for us to have successful negotiations with the city is to know that our community fully supports having a library in our town.* Yes, **you** can help us with these negotiations in a very meaningful way.

We have created some options and opportunities to hear from you about our library's importance to you and our community and encourage everyone reading this to be involved in the process. **We want to maintain our library in the city of Morro Bay, and we would like your feedback on how best to do this.**

Some of you may have had the wonderful experience of attending our first Countywide Library Summit on November 3, 2007 in which we got to explore the library of the future and hear about innovative programs happening in San Luis Obispo County. We want to continue these conversations

with you and also want to reach out to those of you who were unable to attend this pivotal event.

One way to do this is have you and your friends attend one of our "After the Summit" Community Meetings where you will have the chance to discuss our Morro Bay Library of the Future – "Where are we now, and Where do we go from here?" These free events will be held on Wednesday, **February 13 from 10 a.m.-12:00 p.m.** and Tuesday, **March 18 from 6:30 p.m.-8:00 p.m.** at the Morro Bay Library Program Room. You will have the opportunity to share openly what excites you about our library – what concerns you – what library service should look like in the city of Morro Bay today – in 10 years – and how you would describe your ideal visit to the library 10 years from now.

Another way you can help us is to complete the survey included in this newsletter. Your survey responses will give us an idea of what your expectations are about library service, open hours, needs and hopes for our library now and in the future. Won't you take a moment and complete this survey and return it to the library: **625 Harbor St., Morro Bay, CA 93442** or come to one of our community meetings advertised above?

You are also welcome to bring your lunch and come to our open Friends Board meetings (see calendar of events for dates). If you have any questions about Friends projects, getting involved, volunteering, our ongoing Wednesdays programs, these community meetings or the survey please do not hesitate to contact me at 772.9268 or pres@morrobayfriendsoflibrary.org or visit our website at www.morrobayfriendsoflibrary.org Whatever you decide, please always know that we truly appreciate your continued support and patronage of our library.

Among Friends is the quarterly newsletter for the Morro Bay Friends of the Library. It is distributed to all members. Circulation is approximately 400. Additional information about the Friends is available at <http://www.morrobayfriendsoflibrary.org/> or call 772 9268.

We encourage submissions of library related material. **The deadline for publication is the 8th of each month of publication January, April, July and October.** Articles are to be submitted to Robert Davis in any of the following formats: email to slobike@yahoo.com either in text or as attachments in Word or WordPerfect; CD in Word or WordPerfect, or in written form legible for transcription. Nothing will be accepted verbally. The editor reserves the right to edit or reject material. Each article is the opinion of its author and does not necessarily represent the opinion or endorsement of the Friends or the Library or the editors.

Book Sale Report

by Laurie Allen

2007 was an exciting year for the Book Sale volunteers. Thanks to the continuing generosity of Morro Bay residents in donating books to us, we raised a record amount of money, while having a record amount of fun at the Book Sales!

2008 will be a year of continuity and of change. Our February 9th sale is coming up next month, and we expect it to be a good one. We have quite a few special books, in addition to the large number of good quality fiction and non-fiction items. In fact, it is more usual than not to have too many books for comfortable browsing.

This leads us to the plan approved by the Board to look into the possibility of moving the sale to the Vet's Hall. Although the sale has always been held at the Library, there are some good reasons for moving it.

First, the weather will not always be good on sale day, making putting books and magazines outside impossible. This will make an already crowded area even worse. During our November 2007 sale the rain started as we were finishing, but we won't always be that lucky.

Second, having a larger space with wider aisles would mean easier movement for both the able-bodied and disabled. It would mean that we could arrange the books in more meaningful categories, making it more fun for browsers.

Third, it would give us the opportunity to include other fund-raising events along with the book sale. For instance, it would be great to add a bake

sale, and possibly a collectibles sale as well. It simply gives us more options.

In other news, we continue to look for one or two volunteers to take charge of a Friends booth at the Saturday afternoon Farmer's Market in Morro Bay. This once-a-week event has been a great way to sell books and to make people aware of our Library at the same time. If you (and a friend?) are interested in volunteering for this special job, please let me know. We might try doing it first in the summer, and if we can get enough volunteers, no one would have to do it every week.

Another new idea we are trying is selling some of our books on the Internet. Ric (Friends Treasurer) and I have tried a few special-priced items that didn't sell at the sales, and we have had some luck with this. It shows that the Morro Bay Friends will go anywhere (and everywhere) to support our Library!

Finally, if you are interested in volunteering at the book sales, please give Joan Petersen a call at 772-2604. Our crew has a lot of fun while we work at setting up, selling, and taking down the event. Come join us!

"After the Summit" Community Meetings - Let's discuss our Morro Bay Library of the future - Where are we now, and where do we go from here?

These free events will be held on Wednesday, February 13 from 10 a.m.-12:00 p.m. and Tuesday, March 18 from 6:30 p.m.-8:00 p.m. at the Morro Bay Library Program, 625 Harbor St., Morro Bay.

2007 Financial Wrap-Up

by Ric Deschler – Treasurer

The Morro Bay Friends of the Library continued to work hard to raise money to support the Morro Bay Branch Library during 2007. The Friends raised over \$27,000 through a variety of fund raising activities. The largest portion (\$10,817) came from the hard work involved with the Quarterly Book Sales. It may sound like the work is only done four times a year but volunteers are working daily. They clean, sort, price, and store the thousands of donated books and magazines that flow into the library throughout the year. Bravo to Mo Bradley, Laurie Allen, Irene Toomey, Joan Petersen and all of the many volunteers who staff the book room and book sales.

In between the Quarterly Book Sales, the volunteers keep the book shelf and magazine rack in the library lobby stocked with items so that you can purchase your favorite books and magazines at low prices throughout the year. Again, this dedicated crew raised over \$4,600 keeping books readily available for you and supporting your library.

The Friends just wouldn't be a successful organization if it were not for its membership.

The Board of Directors keeps the membership dues low so that as many people as possible may participate and be a part of this grand organization. \$1,701 was generated from memberships. Memberships include the \$2 Junior members, \$5 Individual, \$10 Family, \$25 Business, and the \$100 Individual Lifetime memberships. Many thanks to all of our members for supporting the Friends with their memberships.

Cash donations were over \$2,400 and

funds raised from donated property (other than books) generated around \$4,000. We thank everyone who donates

funds and items that go to support the Morro Bay Branch Library. Your efforts are appreciated.

The Friends function to support the needs of the Library.

Each year the branch manager, librarian Jude Long, provides the Friends with a list of financial needs that go unmet by your tax dollars. During 2007, the Friends provided nearly \$12,000 in requested financial assistance. These needs rise and fall depending on state and county budgets and the individual needs of the Morro Bay branch. We plan to be there whenever the need arises so that you, the citizens, will always have access to a free and modern library.

The Friends spent around \$3,700 to run and maintain the Morro Bay Friends of the Library, Inc. We are a 501(c)(3), non profit organization. During 2007,

approximately 76% of expenditures were given as direct support of the library while approximately 24% were used for Friends administrative expenses. This varies yearly depending on the needs and requests of the library.

Remember, the next Quarterly Book Sale will be Saturday, February 9th. Come out and support the Friends supporting the Morro Bay Branch Library!

Remembering Loved Ones

By Ric Deschler

Every year people wish to remember and appreciate people that mean something special to him or her. Often this occurs when a loved one passes away and other times it happens when a person simply wants to show recognition. The Friends accept financial donations to honor these people. These funds are made available to the library and the branch manager purchases appropriate materials with the funds. Then the loved one is recognized with a bookplate in the front of the book or materials.

Here is a listing of the persons remembered with donations during 2007

In Memory of

Judi Horner
Nancy Victor
Grace Melton
Barbara Isbell

In Gratitude to

Susan McElhinney
2007 FOL Board

We thank all of the donors for honoring their loved ones and friends with a generous contribution to support the Morro Bay Library. For more information about remembering loved ones, check out www.morrobayfriendsoflibrary.org or call Ric Deschler at 772 9244.

Librarian's Report

New Computer System

Unveiled October 10th, our new computer system failed to perform satisfactorily. Despite careful planning and training, the CarIX system operates extremely slowly, with many inaccuracies and it continues to be undependable.

Library Staff and Library Administration share your frustration and impatience. We apologize for the numerous and continuing problems and inconveniences you may have experienced. Your great concerns, your many phone calls, letters and conversations, prove how much you, as library customers and taxpayers, CARE ABOUT YOUR LIBRARY.

SLO Library Director Brian Reynolds, along with Black Gold System Directors, continues to negotiate with company officials and to push for a system that meets the high standards of our customers. Library staff are available for help and support in searching and requesting the materials you need. Please call the library (772-6394) or ask for help at the desk.

Questions? – Comments? Contact Brian Reynolds at 781-5785 or breynolds@slolibrary.org.

I Want To See You At Our Upcoming Community Meetings!

YOU WILL WANT TO BE A PART OF OUR VISION DOCUMENT!

Wednesday, February 13th 10:00 a.m. – Noon in the Library Program Room

Tuesday, March 18th 6:30 p.m. – 8:00 p.m. in the Library Program Room

We want our Morro Bay Library to matter to the community and to be more viable for future users. The world is changing faster and faster and our customers need libraries to keep up with their world. Libraries must transform to serve upcoming generations and interface with new technology. We are no longer dusty archives. Morro Bay has a neighborhood-style library for popular reading with easy access to titles throughout the U.S.

- How can we meet the future needs of Morro Bay residents?
- What qualities are unique to the Morro Bay community that need to be reflected and/or retained in the Library?
- What will create the Morro Bay Library as a destination?

Please attend to help guide the written Vision Plan for the Morro Bay Library.

If you cannot attend, you may forward comments by email or mail to:
